“Jesus said to her, ‘I am the resurrection and the life. Whoever believes in Me, though he dies, yet shall he live, and everyone who lives and believes in Me shall never die. Do you believe this?’
“Yes, Lord,” she replied . . .” (John 11:25–27).

Dear Praying Friend,

Certainly we, of all people, do not need a holiday to celebrate the *living* Lord Jesus! However, it is amazing that we live in a country that still allows us to take time off from work and our everyday routines to celebrate Jesus’ death, burial, and resurrection from the dead, which assures us of His victory over death and sin! Oh, Lord Jesus, may our lives be a continual testimony that indeed You arose from the grave victorious over sin and death and live within us!

MONGOLIA & INDIANAPOLIS

If Jesus does not return first, Cheryl & I will be traveling to Mongolia again at the end of April as we seek to complete the training of the last two groups of church leaders, who need our involvement. Please join us in prayer as we travel with the Fenstermachers and Dr. Michael Canham. I also hope to contact the Mongolian Bible Society about the printing and publication of the new Mongolian Concordance that I mentioned in our last newsletter. It will be the first one in that language and should become a fabulous resource for the church leaders we

are working with and training. We hope to share additional information as soon as we learn more about this project.

Lord willing, we will arrive home from Mongolia on Monday, May 1 and then leave the next morning for Indianapolis to be with our daughter Danielle as she is

scheduled for knee surgery that week. The procedure will prevent her from working for at least a month while she recovers. Many of you have joined us in prayer for her need for Christ. Please pray that God will use this event to draw her to Himself.

While there, we also plan to report

to three of our supporting Indiana churches.

BIBLES FOR SOUTH SUDAN

Perhaps you will remember our prayer request to get Bibles into the hands of the South Sudanese leaders. God did answer our petitions, and Bibles will soon be distributed among the churches seeking to disciple unwed teenage mothers in the refugee camps. This project required some juggling and

waiting, but we thank God for those of you who contributed to this effort for those burdened to share Jesus' salvation with those in such great need. A few women's missionary fellowships were extremely timely in their gifts, which opened just the right doors to make it all happen. Bibles in both local languages and also English were secured to meet the need.

MALAWI

Pastor Michael Nhonya, Director of Tri-M Tanzania, has completed teaching the first test module in Malawi. This is an expansion of Tri-M Tanzania, introducing the model to Malawian groups and assisting in the establishment of local

training of those who have no access to theological and pastoral training. Pastor Nhonya reports having been involved with

some 150 pastors during that trip! All are excited about the model being officially introduced in Malawi. God also touched the heart of a local chief, who offered the use of a large building free of charge for the ongoing training.

Pastor Michael also presented the *Jesus* film many nights during the training time, and nearly 800 people were reached. We praise Jesus for yet another example of 2 Timothy 2:2 in action, thanks to your involvement with the Boisverts and Tri-M Africa/Asia.

NEW ESL CLASS

I am now teaching an evening *English as a Second Language* class for adults from a local Chinese church in our home area in Texas. The fact I have traveled in Asian countries has helped us connect with this newly-arrived group, even though I do not speak Chinese. The class is made up of believers from the Chinese church and others who desire to learn better English.

SUMMER PLANS

Cheryl and I hope to schedule meetings with some of our supporting churches in Pennsylvania this summer. We are putting together a schedule right now and hope to see some of you soon!
